Table top 859 for lounge 224:	Table tops for type 224FD:	
Metal, black matt fine structure powder-coated	Concrete	Our concrete table tops are made of poured concrete. Their low material thickness with high stability is achieved by a glass fibre reinforcement. The concrete table top is coloured throughout and the surface is oiled. Due to the open structure, colour shading may occur on the surface. The table top is light, UV and weather resistant.
